

For the Home

Kitchen & Bath Retailers

Accessories for the home created for your lifestyle!

Home Away from Home

Hotel & Hospitality

The finishing touches that show your attention to detail.

Housewarmings

Specialty Shops

Gifts that reflect your authentic approach to the art of giving.

Welcome

Established in 1996, Creative Home™ has been a leading resource for quality housewares catering to retailers across the country and around the world. Our goal has always been to provide the latest in design, quality, & value.

With offices in New Jersey, Taiwan, & China, our sourcing capabilities are well established and that has allowed us to become a major resource for marble kitchenware and bath accessories, teakettles, and pantryware.

We've built our reputation based on the idea that you can offer quality and value, a theme that runs throughout the company.

What You Can Expect!

At Creative Home™ we love what we do and that's reflected in our product lines. Whether it's marble home products, tea kettles, bamboo, or metal pantryware, we focus on the latest market trends. We then take those ideas and add our own touch by creating new and exciting designs that incorporate a wide variety of colors and materials.

Our worldwide sourcing allows us to bring the finished product to the customer assuring a seamless process and uniformed quality as the end result.

It's that attention to detail and great value which retailers and consumers have come to expect from us and that's what we provide.

Please view our product lines and contact us with any questions that you may have, we're here to help.

TEA KETTLE FLOOR DISPLAY

- Item No.: 72002
- Shipping Dimensions:
23-5/8" x 9" x 36-3/8" (4.51 CuFt)
- Set-Up Dimensions:
22-5/8" x 11-1/2" x 46"
- Holds 12 kettles
- Designed with a contour that allows maximum exposure of each tea kettle.
- This design also prevents customers in the store from "digging into" the display to find what they want, so display stays intact.
- Sleekly construction so as to take up as little space as possible.
- The compactness of the display will really make the kettles "POP".
- Very easy to set up.
(Instructions will be included)
